With the class bully murdered at her 30th high school reunion and her boss, the annoying Michael Steele, missing, Odelia doesn't know which hole to poke her big nose into first. This decision is made for her as she's again swept into the action involving contract killers, tangled relationships, and fatal buyer's remorse. Throughout this adventure, Odelia deals with her on-again, off-again relationship with Greg and her attraction to detective Devon Frye.
