## De tusinde lampers hus - Del 1 (Danish Edition) Victoria Holt

Jane Lindsay havde aldrig drømt, at hun ville blive rig. Heller ikke, at hun ville forelske sig i en mand, hun ikke kunne stole på. På baggrund af 1800-tallets England og Hong Kong, kommer her historien om en ung kvinde i en strålende og faretruende ny verden ... Jane Lindsay har været fascineret af De tusinde lampers hus siden hun hørte om det første gang. Nu, da hun omsider efter en ulykkelig kærlighedsaffære og et fornuftsægteskab står i huset, er alt anderledes end hun havde forestillet sig. På en eller anden måde føler hun sig uvelkommen og indhullet i en atmosfære af fjendtlighed. Som om en eller anden stræber hende efter livet ... Hun prøver desperat at finde ud af, hvad det er der foregår omkring hende, men en skønne dag er hun ikke længere herre over udviklingen. En udvikling, hvor den ene ejendommelige og grusomme begivenhed afløser den anden ... Dette er De tusinde lampers hus' del 1 af 2. Victoria Holt (1906-1993), pseudonym for Eleanor Alice Burford Hibbert, var en af verdens mest elskede og mest produktive forfattere i sin levetid. Hun begyndte allerede at skrive som 17-årig, og en række af hendes tidlige noveller blev trykt i London-aviserne. Det var dog romaner i den historiske genre, der gav det internationale gennembrud, og i dag er hendes romaner solgt i over 50 millioner eksemplarer verden over. "En af de ypperste forfattere af gotiske kærlighedsromaner og en stærk historiefortæller, hvis gribende romaner har begejstret millioner af læsere" - RT Book Reviews
