Economia Verde (Portuguese Edition) Martim de Almeida Sampaio

Economia Verde mostra os novos paradigmas a que a sociedade globalizada tem que se adequar para prosseguir em sua caminhada evolutiva. A vivência do autor numa economia avançada e destroçada, a Islândia, e as respostas que se apresentaram numa averiguação jurídico-econômica extrapolam os limites geográficos daquela pequena nação, transmitindo ao leitor uma percepção viva do que é necessário aos povos das nações civilizadas para conseguir equacionar suas necessidades sociais com a realidade desenvolvimentista que se apresenta no atual cenário global.
