## **ESPIRITUALIDAD Y POLÍTICA (Spanish Edition)** Ken Wilber

Esta obra reúne a autores de nivel internacional junto a líderes de opinión hispanoparlantes para ofrecer propuestas locales y globales, asumibles por todo el mundo, dirigidas a integrar en la política la dimensión espiritual así como a insuflar de sentido práctico a los movimientos espirituales de la actualidad. Se trata de aunar «el arte de vivir» (espiritualidad) con «el arte de convivir» (política), con un claro mensaje de pacifismo y no violencia. Nuestra relación con el dinero, la integración cultural, el desarrollo sostenible, la participación en la vida pública, el servicio a la comunidad, la crisis de valores, son algunos de los temas tratados con profundidad y con un enfoque totalmente práctico. En las páginas del libro desfilan autores consagrados mundialmente como Ken Wilber, Leonardo Boff, Ervin Laszlo o Tariq Ramadan junto a destacadas personalidades del mundo hispanoparlante como Federico Mayor Zaragoza, Vicente Merlo, Jordi Pigem o Antoni Melé.
