*Secrets of Neverwood Book Two*

The four years since Danny Redmond left Neverwood have been heartbreaking, and past mistakes continue to haunt him, even after he returns home. Together with two foster brothers he barely knows, he plans to turn the decrepit mansion into a welcoming place for runaways once again—the dying wish of their foster mother, Audrey.

Danny has nothing to contribute to the restoration, save for a gift for growing things. But his efforts to bring Audrey's beloved gardens back to their former glory are complicated by handsome landscaper Sam Ignatius...and the feelings developing between them, despite their fiery differences of opinion. One voice gives him hope, the only one he's always trusted—Audrey's.

Danny comes to care deeply for Sam, but things look bleak when Sam's city councilman father threatens to have Neverwood torn down. Why should Danny have expected the future to be different from his past? All his relationships end in disaster...

*Three foster brothers are called home to Neverwood, the stately Pacific Northwest mansion of their youth. They have nothing in common but a promise to Audrey, the woman they all called mother...*

*Secrets of Neverwood is a multi-author trilogy; One Door Closes, The Growing Season and The Lost Year can be enjoyed either as a continuity or as standalones.*
