Nikolas Schreck

The Manson File Myth and Reality of an Outlaw Shaman Nikolas Schreck

This is the expanded 2nd edition with 991 pages. Summing up 25 years of Nikolas Schreck's research into the Charles Manson phenomenon, this Book of Revelations illuminates unknown dimensions of Manson as philosopher, musician, Gnostic mystic, Mafia fall guy, revolutionary, and friend, lover and drug dealer to 1960s Hollywood's best-known rock stars and movie idols. The first comprehensive study of Manson's life, times, crimes, and thought, this is the ultimate guide to the Manson mysteries, portraying the human being behind the media-created monster's many masks. Drawing on police evidence suppressed during Manson's trial, Schreck exposes the "Helter Skelter" legend as one of the twentieth century's greatest cover-ups, unveils the hidden Mafia drug-dealing background of the "Manson murders" and traces the underworld connections linking the victims to their killers. The author's recent conversations with Manson and others directly involved in the psychedelic era's apocalypse allow the true story kept secret for decades to be told at last.
