Chris Meyers

The Moral Defense of Homosexuality: Why Every Argument against Gay Rights Fails Chris Meyers
Chris Meyers takes the reader on a careful, rational, sustained criticism of arguments about the immorality of homosexuality. Meyers refutes anti-gay arguments by showing that they are based on unreasonable or demonstrably false ideas about the nature of morality. Working through the morality arguments against homosexuality, Meyers shows how the nature of morality demands impartial, overriding reasons to act. He argues that morality is not grounded in visceral feelings of disgust, commands from the scriptures, or mysterious Platonic essences. In clear, convincing discussion, Meyers examines morality to promote the moral logic of granting rights to all people, no matter their sexual orientation.
