The Scorpio Races Maggie Stiefvater

From the #1 New York Times bestselling author of *Shiver* and *Linger* comes a brand new, heartstopping novel. Some race to win. Others race to survive. It happens at the start of every November: the Scorpio Races. Riders attempt to keep hold of their water horses long enough to make it to the finish line. Some riders live. Others die. At age nineteen, Sean Kendrick is the returning champion. He is a young man of few words, and if he has any fears, he keeps them buried deep, where no one else can see them. Puck Connolly is different. She never meant to ride in the Scorpio Races. But fate hasn't given her much of a choice. So she enters the competition - the first girl ever to do so. She is in no way prepared for what is going to happen. As she did in her bestselling *Shiver* trilogy, author Maggie Stiefvater takes us to the breaking point, where both love and life meet their greatest obstacles, and only the strong of heart can survive. *The Scorpio Races* is an unforgettable reading experience.

Stacie Schneider:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Scorpio Races can make you really feel more interested to read.
