**A FAIR OF THE HEART** - Single mother Lauren Frazier can barely keep the roof over her head from falling down around her. So when handyman Caleb Hunter stops by for a haircut, he's the answer to her prayers...though her son isn't as thrilled to have him hanging around. Old wounds have kept Caleb from returning to Redemption, but when he receives word of his mother's unexpected death, guilt and regret bring him home for good. Lauren excites him like no woman ever has, but she's a package deal, and he's not sure he's prepared to take on a ready-made family.

**A FAIR TO REMEMBER** - Ready for a nice, quiet life in small town USA, reformed gang member Wes Carter feels Redemption is the perfect place to relocate his financial business for reasons more than just the name. Tara Russell has decided to add some excitement to her life and get a little wild--no matter how uncomfortable it makes her or her overprotective family. They meet at the local fair one warm summer night and discover opposites attract for all the right reasons. Add a dash of Sugar in the form of an incorrigible Great Dane, and it's destined to be A Fair To Remember.

**THE PERFECT BLEND** - Carrie Lowell swears off men for good after nearly losing her business in a bitter divorce. She's on the verge of bankruptcy when librarian Matt Jacobs walks into her shop and offers sound--if unwanted--business advice. Financially, he's a godsend, but emotionally he's a threat to the barricade she's built around her heart. Heir to a vast fortune, Jacob Spalding flees L.A. for Wisconsin to escape the scandalous nightmare his life has become. Now known as Matt Jacobs, he settles in to small town life and soon finds himself infatuated with the coffee shop owner across the street. Too bad the infuriating woman is as contrary as she is beautiful.

**GROUNDS FOR CHANGE** - Charlie Russell lived with a secret for years, but guilt has pushed him to the breaking point. He meets psychologist Dana McClain and feels an instant connection that has nothing to do with his Great Dane, Sugar, spilling coffee down her shirt. Dana switched to counseling animals because she has a history of becoming too emotionally involved with her clients. She figures she's safe helping Charlie with Sugar's issues, until he reveals his secret and asks for help. She tells herself it's all about the dog, not the guy, but history has a way of repeating itself.

**HOME IS WHERE THE HEART IS** - Heiress Melinda Spalding is stunned when her brother moves to the Midwest, and soon follows. Discovering she likes "Mayberry" is as shocking as her attraction to the local mechanic. But L.A. is where she belongs--or is home truly where the heart is? Drew Porter has no use for snooty "Lindy" Spalding. But is there more to her than meets the eye, or should he run as fast as he can in the opposite direction?

**THE HEART OF THE MATTER** - Allie Daniels wants a family of her own, but can't have children. She hides her desolation from everyone--especially the town veterinarian, whose three-year-old is a painful

reminder. RickWilde liked Allie back in high school, but life took them in different directions. Now a single parent, his interest in Allie is renewed despite the fact her shoulder is colder than the bitter winter wind. Brought together by an orphaned kitten, Allie is helpless to resist Lukas' impish innocence and Rick's charm. Does she risk her heart on an impossible dream, or will Rick's desire for more kids devastate their future?
