Soul Survivor Misty Evans

Haunted by tragedy, FBI profiler Rife St. Cloud is driven to find the person who brutally attacked six women. Unfortunately the only survivor, Keva Moon Water, has no memory of what happened, and the evidence makes her the prime suspect.

Keva cannot die. She has waited a thousand years to be reunited with the man she loves, whose soul sleeps within Rife. Though he refuses to believe her claims of immortality, there's no denying the passion that burns between them. Keva desperately hopes their sexual connection will be enough to awaken Rife's memories of the love affair that started a war and bound their souls together for all eternity.

But when Keva's own memories come trickling back, she realizes that a future with Rife depends upon confronting the mistakes of the distant past...
