You Remind Me of Me

Dan Chaon

You Remind Me of Me Dan Chaon

With his critically acclaimed *Among the Missing* and *Fitting Ends*, award-winning author Dan Chaon proved himself a master of the short story form. He is a writer, observes the *Chicago Tribune*, who can “convincingly squeeze whole lives into a mere twenty pages or so.” Now Chaon marshals his notable talents in his much-anticipated debut novel.

You Remind Me of Me begins with a series of separate incidents: In 1977, a little boy is savagely attacked by his mother’s pet Doberman; in 1997 another little boy disappears from his grandmother’s backyard on a sunny summer morning; in 1966, a pregnant teenager admits herself to a maternity home, with the intention of giving her child up for adoption; in 1991, a young man drifts toward a career as a drug dealer, even as he hopes for something better. With penetrating insight and a deep devotion to his characters, Dan Chaon explores the secret connections that irrevocably link them. In the process he examines questions of identity, fate, and circumstance: Why do we become the people that we become? How do we end up stuck in lives that we never wanted? And can we change the course of what seems inevitable?

In language that is both unflinching and exquisite, Chaon moves deftly between the past and the present in the small-town prairie Midwest and shows us the extraordinary lives of “ordinary” people.

From the Hardcover edition.

From reader reviews:

Shantel McCary:

Book is actually written, printed, or highlighted for everything. You can recognize everything you want by a reserve. Book has a different type. As you may know that book is important factor to bring us around the world. Beside that you can your reading ability was fluently. A book You Remind Me of Me will make you to possibly be smarter. You can feel far more confidence if you can know about almost everything. But some of you think in which open or reading the book make you bored. It's not make you fun. Why they are often thought like that? Have you trying to find best book or acceptable book with you?

Ethel Swafford:

In this 21st century, people become competitive in most way. By being competitive right now, people have do something to make these survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. Yeah, by reading a guide your ability to survive improve then having chance to remain than other is high. To suit your needs who want to start reading some sort of book, we give you this You Remind Me of Me book as beginner and daily reading e-book. Why, because this book is greater than just a book.

Nikki Kirkland:

As people who live in the actual modest era should be upgrade about what going on or information even knowledge to make all of them keep up with the era and that is always change and make progress. Some of you maybe may update themselves by looking at books. It is a good choice to suit your needs but the problems coming to you is you don't know what kind you should start with. This You Remind Me of Me is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

Josie Garcia:

Playing with family in a very park, coming to see the water world or hanging out with good friends is thing that usually you will have done when you have spare time, in that case why you don't try issue that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love You Remind Me of Me, you may enjoy both. It is good combination right, you still would like to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't get it, oh come on its identified as reading friends.
