"The complexity of business in economically demanding times makes finding constructive angels that much more challenging. The advice and tips in *Attracting Capital from Angels* are, therefore, invaluable. The wisdom offered here is not just for start-ups or neophytes, but is a well-timed companion to already existing resources and approaches to helping a business in all phases of development. It's also a great manual for people who want to share their knowledge (and invest capital) as an angel. I plan to recommend *Attracting Capital from Angels* to every entrepreneur I run into in the future who asks for mentoring sources. Great job!"
