What critics are saying about the Brent Marks Legal Thriller Series:

"Few writers in this legal thriller genre can match Kenneth Eade's creative ability to present facts in a way that with the help of his main character Brent Marks we can catch a glimpse in the legal intricacies around us. Said once and said again, Kenneth Eade is one of our strongest thriller writers on the scene and the fact that he draws his stories from the contemporary philosophical landscape is very much to his credit." **Grady Harp, Amazon Hall of Fame, Top 100 and Vine Voice**

"Those who enjoy Grisham and other legal studies and who appreciate more than a dose of reality in their fiction reads will find Eade's ability to captivate and hold readers with the unexpected, both in character development in nonstop action which lays the foundation for a story that's anything but predictable. In a world where plot and outcome are often predictable from the start, this will prove more than satisfying to readers already well versed in the legal thriller format." - **Midwest Book Review**

"Eade, a lawyer by profession, weaves legal dialogue, corruption and international action to create a pacy read with echoes of Grisham, Baldacci and Clancy nipping at his writing heels. Law issues as well as forensics and police procedures are clearly explained with such authority as to add gritty realism in and out of the courthouse, but it's within the court drama that Eade really packs some punch. **SPR Review**

"Kenneth Eade is a master of suspense and unexpected twists." **I Publisher News**
