God, your Father, is talking to *you* every day.

CAN YOU HEAR HIM?

For many believers, prayer often feels more like talking to the ceiling than conversing with a loving God: You strain your ears and heart to hear, but you are never quite sure anyone is talking back. You look to the Bible for answers, but find your questions and concerns not addressed specifically in its pages. Yet instructions on how to hear God speak are clearly laid out there.

In this revised and updated edition of the classic bestseller, you will discover an easy-to-follow, step-by-step guide to developing a rich prayer life--moving from one-way communication *to* God to two-way conversations *with* your Father. As you develop your ability to hear God and discern His voice, you will hear Him speak many kinds of things to you including

Guidance • Revelation • Wisdom • Comfort

God *is* speaking today. And He's speaking to *you*. Will you learn to recognize and cherish His voice?

"Peter Lord does a masterful job of correcting the tragic misconception of God as a silent Father or a God we cannot hear. I am confident this book will help you make hearing God a vital part of your walk with the Lord."--James Robison, LIFE Outreach International
