North Jersey Legacies: Hidden History from the Gateway to the Skylands Gordon Bond

Did you know that the Dust Bowl hit New Jersey? Twice? How about that a mysterious experiment in "subliminal advertising" was conducted at a Fort Lee, New Jersey movie theater? Or that railroad communication was advanced on a northwest New Jersey railroad line? Or that America first heard about the Russians launch of Sputnik 2 (with a dog onboard) thanks to a Ukrainian refugee in Perth Amboy, New Jersey? Or that prisons could buy a custom electric chair from a Trenton, New Jersey electrician? Or that aviation matured into an industry thanks to Newark Airport? This book is a collection of articles from www.GardenStateLegacy.com, an online quarterly magazine devoted to New Jersey history that the author began in 2008. The Garden State features to some degree even as a footnote in larger historical stories far more often than one might think. It could just be a matter of someone from the state going on to something of historic importance somewhere else; or that by dumb luck something just happened to occur within its borders. New Jersey may be a footnote in these tangential tales, but they are the kind of unexpected connections that makes exploring New Jersey's history so delightful.

From reader reviews:

Steven Williams:

In this 21st centuries, people become competitive in every single way. By being competitive today, people have do something to make them survives, being in the middle of the actual crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yep, by reading a book your ability to survive raise then having chance to stand up than other is high. In your case who want to start reading a book, we give you this North Jersey Legacies: Hidden History from the Gateway to the Skylands book as beginning and daily reading publication. Why, because this book is greater than just a book.

Abram Huffman:

Your reading 6th sense will not betray you, why because this North Jersey Legacies: Hidden History from the Gateway to the Skylands book written by well-known writer who knows well how to make book which can be understand by anyone who also read the book. Written in good manner for you, leaking every ideas and creating skill only for eliminate your current hunger then you still skepticism North Jersey Legacies: Hidden History from the Gateway to the Skylands as good book not merely by the cover but also by the content. This is one publication that can break don't determine book by its cover, so do you still needing an additional sixth sense to pick this!?! Oh come on your looking at sixth sense already told you so why you have to listening to a different sixth sense.

Melissa Ray:

Is it you who having spare time in that case spend it whole day by simply watching television programs or just laying on the bed? Do you need something totally new? This North Jersey Legacies: Hidden History from the Gateway to the Skylands can be the answer, oh how comes? The new book you know. You are so out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these books have than the others?

Raymond Littlefield:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this North Jersey Legacies: Hidden History from the Gateway to the Skylands can make you really feel more interested to read.
