In this latest selection of Pointless Conversations, the previous 12 eBooks and their diverse, eclectic and unequivocally stupid topics are discussed and reassessed once more. Is Superman still a cowardly extraterrestrial? Are Holodecks more of a danger to our bowels than we once thought? Is it wrong to steal Bacon from Liam Neeson, and are some breakfast cereals racist? All these truly essential questions and more are answered...or at least attempted...in Pointless Conversations: The Afterthoughts Collection.
