The Lumatere Chronicles (3 Book Series) Melina Marchetta

From Book 1: Finnikin was only a child during the five days of the unspeakable, when the royal family of Lumatere were brutally murdered, and an imposter seized the throne. Now a curse binds all who remain inside Lumatere's walls, and those who escaped roam the surrounding lands as exiles, persecuted and despairing, dying by the thousands in fever camps. In a narrative crackling with the tension of an imminent storm, Finnikin, now on the cusp of manhood, is compelled to join forces with an arrogant and enigmatic young novice named Evanjalín, who claims that her dark dreams will lead the exiles to a surviving royal child and a way to pierce the cursed barrier and regain the land of Lumatere. But Evanjalín's unpredictable behavior suggests that she is not what she seems—and the startling truth will test Finnikin's faith not only in her, but in all he knows to be true about himself and his destiny.
