Cammie and Alex's Adventures in Skating History Olga Jaffae

Even before she reached the rink, Cammie knew something wasn't right. 'What's wrong? Why are the police here?' Coach Ferguson's pale blue eyes narrowed. 'Cammie, didn't you hear the announcement? A skater is missing.' Every skater in Skateland is excited about the upcoming show devoted to the history of figure skating. Except Cammie. She hates practicing boring figures and participating in an old-fashioned group number. But when Cammie's roommate the show's star performer goes missing during the dress rehearsal, Cammie is ignited with passion to rescue her friend at all cost. She learns of a magical skating history book that can transport people back in time. Cammie suspects foul play by the evil skating witches and, with the help of her best friend Alex, travels back into time to rescue the missing skater before it's too late. Readers will love learning ice-skating history as Cammie and Alex travel to sixteenth-century Holland and nineteenth-century England, meeting famous skaters such as Jackson Haines, Sonja Henie, and Ulrich Salchow. Will this be the end of Cammie, Alex and their friend? You will find the answer in Cammie and Alex's Adventures in Skating History, Olga Jaffae's third book in the Skateland series.

From reader reviews:

James Rose:

In this 21st one hundred year, people become competitive in most way. By being competitive at this point, people have do something to make these people survives, being in the middle of the crowded place and notice through surrounding. One thing that often many people have underestimated this for a while is reading. Yep, by reading a reserve your ability to survive raise then having chance to remain than other is high. For you who want to start reading some sort of book, we give you this Cammie and Alexs Adventures in Skating History book as starter and daily reading e-book. Why, because this book is usually more than just a book.

John Espitia:

Reading a publication tends to be new life style in this particular era globalization. With reading through you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can share their idea. Publications can also inspire a lot of people. Many author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the publications. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors in this world always try to improve their expertise in writing, they also doing some study before they write with their book. One of them is this Cammie and Alexs Adventures in Skating History.

Serafina Hayes:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their leisure time with their family, or their very own friends. Usually they doing activity like watching television, going to beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? May be reading a book could be option to fill your free time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to consider look for book, may be the publication untitled Cammie and Alexs Adventures in Skating History can be excellent book to read. May be it might be best activity to you.

Victor Shepard:

Your reading sixth sense will not betray you actually, why because this Cammie and Alexs Adventures in Skating History reserve written by well-known writer we are excited for well how to make book which can be understand by anyone who read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your current hunger then you still skepticism Cammie and Alexs Adventures in Skating History as good book not simply by the cover but also by the content. This is one e-book that can break don't evaluate book by its protect, so do you still needing a different sixth sense to pick this specific!/? Oh come on your reading sixth sense already said so why you have to listening to a different sixth sense.
