## **Final Target (A Graham Gage Thriller)** Steven Gore

A man lies unconscious in a hospital bed, the victim of a violent assault the police are calling "road rage." If he recovers, prosecutors are waiting to indict him for conspiracy, eager to send him to prison for the rest of his life.

And he's the lucky one . . .

Private investigator Graham Gage believes the injured man—his closest friend Jack Burch—had no part in the ever-widening criminal conspiracy surrounding the collapse of defense contractor SatTek Industries. But Gage's search for the truth is rocketing him to hot spots around the globe—and dragging him into a deadly morass of lies, greed, and terror alongside traitors, killers, and international gangsters. As the plot slowly unravels the body count soars, and Gage finds himself in an impossible race to prevent the unimaginable.

Because the first target was his friend . . . but the final target is his country.
