She Becomes Time Margaret Randall

Margaret Randall's new collection, *She Becomes Time*, continues her legacy of poetry that combines the intimate with the global, history with feeling, memory with the world we touch and see, showing--always in surprising ways--how these impact and intersect each other. The book begins with a group of poems about her childhood, in which the poet reveals secrets and asks unexpected questions. It ends with breathtaking series about Mexico and Cuba, countries the poet knows well and which she takes on without any idealization.
