Deuteronomy (Brazos Theological Commentary on the Bible) Telford Work

The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture credally for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. *Deuteronomy*, like each commentary in the series, is designed to serve the church--through aid in preaching, teaching, study groups, and so forth--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

"Deuteronomy summarizes the Torah and casts its long influence on the rest of the canon. Telford Work insightfully guides the reader through this important book and displays its significance to today's community of faith. I particularly appreciate his commitment to the text, unwilling to explain away some of its more difficult features. I recommend this not only to clergy and students, but also to biblical scholars who will benefit from the perspective of a theologian who is grounded in the Bible."--**Tremper Longman III**, Westmont College

Praise for previous volumes in the Brazos Theological Commentary on the Bible

"What Jaroslav Pelikan offers us [in *Acts*] . . . is neither a commentary nor a book of homilies, but rather a set of observations on what phrases and passages in Acts might remind us of in the later history of Christian doctrine. As a sampler of vintage Pelikan tidbits, it is a scintillating piece of work, a tour de force in the history of dogma, a kaleidoscope of brilliant reflections by a generous and faithful Christian scholar."--**Brian E. Daley, SJ**, *Pro Ecclesia*

"[In *Matthew*, Stanley Hauerwas] continually draws Matthean motifs together with similar features in the rest of the Bible and shows where subsequent generations found the basis for their doctrinal reasoning. . . . This commentary serves readers admirably by connecting the points that lie between the first and twenty-first centuries and by reminding readers that Matthew's Gospel has played a deep, broad role in centuries of theological reflection."--**A. K. M. Adam**, *Christian Century*

General editor: **R. R. Reno** (Creighton University)

Series editors: **Robert W. Jenson** (Center of Theological Inquiry)

Robert Louis Wilken (University of Virginia)

Ephraim Radner (Wycliffe College, University of Toronto)
