Africa in International Politics: External Involvement on the Continent (Routledge Advances in International Relations and Global Politics)

Africa in International Politics: External Involvement on the Continent (Routledge Advances in International Relations and Global Politics)

Locating Africa on the global stage, this book examines and compares external involvement in the continent, exploring the foreign policies of major states and international organizations towards Africa. The contributors work within a political economy framework in order to study how these powers have attempted to stimulate democracy, peace and prosperity in the context of neo-liberal hegemony and ask whom these attempts have benefited and failed.
