Historical Dictionary of Eritrea (Historical Dictionaries of Africa) Tom Killion

The *Historical Dictionary of Eritrea* offers a uniquely comprehensive account of the history, culture, and leading personalities of Africa's newest independent nation. Due to the isolation and danger imposed by Eritrea's 30-year war for national independence, and the necessarily secretive operations of its guerrilla leaders, there has been a dearth of scholarship on most aspects of the new nation's history, and no comprehensive accounts of its people's long struggle for independence from Ethiopia.

This book provides an in-depth review of Eritrean history from ancient times to the present, drawing on the author's wide scholarship in the field, including access to unpublished Eritrean sources, interviews with leading Eritrean political figures, field research conducted over more than fifteen years, and the perusal of early European, Egyptian, Turkish and Italian colonial sources. Of particular interest are the detailed biographies of Eritrea's current leaders and the leading figures in the long struggle for national liberation, most of which are unavailable in other publications. Further biographies of prominent historical figures and events provide equally scarce information. The histories of Eritrean towns and regions, economic developments, accounts of cultural practices, and the histories of Eritrea's diverse religious and ethnic groups add richness and depth to our knowledge of Eritrea.

The *Historical Dictionary of Eritrea* provides a comprehensive account of the Eritrean nationalist struggle unequalled by the many specialized and frequently biased and inaccurate publications. The chronology, introduction and exhaustive bibliography add further resources for the student, scholar, aid worker, and diplomat, who will find this an indispensable resource for understanding contemporary Eritrea.

From reader reviews:

Beverly Sands:

Book is to be different for each grade. Book for children until finally adult are different content. To be sure that book is very important for people. The book Historical Dictionary of Eritrea (Historical Dictionaries of Africa) had been making you to know about other knowledge and of course you can take more information. It is very advantages for you. The reserve Historical Dictionary of Eritrea (Historical Dictionaries of Africa) is not only giving you far more new information but also to become your friend when you sense bored. You can spend your spend time to read your publication. Try to make relationship together with the book Historical Dictionary of Eritrea (Historical Dictionaries of Africa). You never truly feel lose out for everything if you read some books.

Mary Burnette:

Often the book Historical Dictionary of Eritrea (Historical Dictionaries of Africa) will bring someone to the new experience of reading a new book. The author style to describe the idea is very unique. In the event you try to find new book to read, this book very ideal to you. The book Historical Dictionary of Eritrea (Historical Dictionaries of Africa) is much recommended to you to read. You can also get the e-book from the official web site, so you can quicker to read the book.

Hazel Fletcher:

This Historical Dictionary of Eritrea (Historical Dictionaries of Africa) is brand new way for you who has fascination to look for some information mainly because it relief your hunger of information. Getting deeper you onto it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this Historical Dictionary of Eritrea (Historical Dictionaries of Africa) can be the light food for yourself because the information inside this book is easy to get simply by anyone. These books build itself in the form and that is reachable by anyone, yes I mean in the e-book application form. People who think that in book form make them feel tired even dizzy this reserve is the answer. So you cannot find any in reading a e-book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss the idea! Just read this e-book variety for your better life in addition to knowledge.

William Jones:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Historical Dictionary of Eritrea (Historical Dictionaries of

Africa) can make you feel more interested to read.
