India and the WTO (World Bank Trade and Development Series)

Aditya Mattoo

India and the WTO (World Bank Trade and Development Series) Aditya Mattoo

This book is designed to clarify India's interests in the WTO Doha Development Agenda and to provide a blueprint for its strategy in the Doha Round negotiations. The individual chapters span the Doha Development Agenda and include: calculations of the economic effects on India and other major trading countries/regions of the Uruguay Round negotiations and the prospective Doha Agenda negotiations; the implications for India and other exporting countries of the abolition of the Multifibre Agreement; services issues; telecommunications policy reforms; foreign direct investment inflows; intellectual property rights; competition policy; government procurement; technical barriers and standards; trade and environment; and a comprehensive analysis of the major issues coupled with concrete proposals to guide India's participation in the Doha Development Agenda.

From reader reviews:

Lorraine Briggs:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each publication has different aim or even goal; it means that reserve has different type. Some people experience enjoy to spend their time for you to read a book. They can be reading whatever they consider because their hobby will be reading a book. Why not the person who don't like looking at a book? Sometime, individual feel need book when they found difficult problem or exercise. Well, probably you will require this India and the WTO (World Bank Trade and Development Series).

Deborah Lake:

Is it anyone who having spare time and then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This India and the WTO (World Bank Trade and Development Series) can be the answer, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?

Kai Martin:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book has been rare? Why so many concern for the book? But any people feel that they enjoy intended for reading. Some people likes studying, not only science book but novel and India and the WTO (World Bank Trade and Development Series) or perhaps others sources were given knowledge for you. After you know how the truly amazing a book, you feel desire to read more and more. Science guide was created for teacher as well as students especially. Those ebooks are helping them to include their knowledge. In additional case, beside science guide, any other book likes India and the WTO (World Bank Trade and Development Series) to make your spare time more colorful. Many types of book like here.

Leslie Mickle:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this India and the WTO (World Bank Trade and Development Series) can make you truly feel more interested to read.
