In Detail

Prezi, a web-based presentation tool, has numerous awesome features you can use to create compelling, attention-grabbing, and memorable presentations. Build a presentation online, present it from the web, and share its link with others. Prezi is also an ideal collaboration tool through a Prezi Meeting, in which 10 people can edit together in real time!

Instant Prezi Starter has been especially created to provide you with all the information that you need to get started with Prezi. You will learn the basics of Prezi, get started with building your first presentation, and discover Prezi's top features.

Instant Prezi Starter will guide you through the very first steps of getting a Prezi account all the way to creating your first Prezi project. You will be guided through the basic editing tools and eventually move on to Prezi's more advanced features.

You will learn about the editing tools, especially how to add an element of surprise, then discover the different options for your finished Prezi presentation, including presenting online, posting it on a web site, using Prezi Meeting to collaborate with others, and downloading a copy to your desktop – or even your iPad!

Instant Prezi Starter is a great way to begin your Prezi journey! Start creating engaging, attention-grabbing, and powerful presentations now!
