Lessons in Classical Painting: Essential Techniques from Inside the Atelier Juliette Aristides

A companion volume to *Lessons in Classical Drawing* and an atelier in book form, *Lessons in Classical Painting* breaks down the foundational skills and techniques of painting in a format that is accessible and manageable for all readers.

With the same direct, easy-to-follow approach of Juliette Aristides's previous books, *Lessons in Classical Painting* presents aspiring artists with the fundamental skills and tools needed to master painting in the atelier style. With more than 25 years of experience in ateliers and as an art instructor, Aristides pairs personal examples and insights with theory, assignments and demonstrations for readers, discussions of technical issues, and inspirational quotes. After taking a bird's eye look at painting as a whole, Aristides breaks down painting into big picture topics like grisaille, temperature, and color, demonstrating how these key subjects can be applied by all painters.
