Light Bringer White Eagle

The question of whether there is to be a new world teacher for the Aquarian Age and who he or she will be has fascinated people for over a hundred years. Will the teacher manifest as a human being? Will they be a teacher to be found in our own hearts? What will be their message? Will their coming be accompanied by great changes and cataclysms? Is the new teacher already here? In this fascinating book which will open the heart as well as the mind. White Eagle seeks not only to answer these questions but to take their understanding further. He speaks of the Light which can shine through any human vehicle and how it is brought to humanity by direct command from the ageless brother-sisterhood of life. He, also, talks about developing intuition - changing within - and why we can watch changes in the world and the planet with true faith and calmness knowing through inner assurance the absolute wisdom of the plan. As always White Eagle speaks with total love and wisdom. Behind the book is the sense that every human being has within them the power to change their life and to live in absolute assurance that they are loved protected and cannot make mistakes. All life leads forward. Beyond the immediate change we can embrace is the promise that we may one day leave death behind. THE LIGHT BRINGER is a sister book to The Living Word of St John.
