Notting Hell: A Novel Rachel Johnson

EVERY CITY HAS A NOTTING HELL . . .

"A spot of extramarital nookie with a close neighbor is one thing. We're all grown-ups here. But selling a rare-to-the-market mid-Victorian house -- not merely a house but our children's ancestral *family* home -- on a communal garden, the sort of house that a banker would trample over his own grandmother to spend his bonus on -- is another thing entirely. It's *wrong*."

Meet Mimi. Mimi may "have it all" -- the house, the children, the part-time vanity job, the skinny jeans, the *feng shui* guru -- but life chez Fleming is not as cushy as she'd like (husband Ralph prefers the trout stream to the fast lane). And when Mimi meets Si, the new billionaire on the block, at a sushi party, she soon faces a choice of keeping up or keeping it real.

Then there's her best friend Clare, neat-freak garden designer, deep in biopanic about her childlessness with eco-architect husband, Gideon. Clare monitors all illicit activity in the private West London compound, from light adultery to heavy construction, and she is watching Mimi. . . .

Notting Hell is a wickedly funny and oh-so-recognizable comedy of manners, filleting life on a communal garden in London. So take your irreplaceable numbered key and enter Lonsdale Gardens, the world of wealthy one-upmanship, where the old-fashioned laws of love still rule among the stainless steel kitchen appliances, cashmere throws, and compassionately produced cups of latte.

INCLUDES

"Notting Hill for Beginners," a witty guide to the must-haves and must knows of Notting Hill

From reader reviews:

Brian Price:

Book will be written, printed, or outlined for everything. You can understand everything you want by a guide. Book has a different type. As you may know that book is important thing to bring us around the world. Close to that you can your reading ability was fluently. A e-book Notting Hell: A Novel will make you to be smarter. You can feel much more confidence if you can know about everything. But some of you think this open or reading a book make you bored. It is not make you fun. Why they could be thought like that? Have you looking for best book or suited book with you?

Dorinda Kling:

Reading a book can be one of a lot of task that everyone in the world enjoys. Do you like reading book and so. There are a lot of reasons why people love it. First reading a e-book will give you a lot of new details. When you read a e-book you will get new information due to the fact book is one of several ways to share the information or perhaps their idea. Second, reading a book will make you actually more imaginative. When you reading a book especially tale fantasy book the author will bring you to imagine the story how the personas do it anything. Third, it is possible to share your knowledge to other people. When you read this Notting Hell: A Novel, you are able to tells your family, friends and soon about yours guide. Your knowledge can inspire the others, make them reading a publication.

Christopher Morton:

Many people spending their time by playing outside using friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to pay your whole day by examining a book. Ugh, do you think reading a book can definitely hard because you have to accept the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Cell phone. Like Notting Hell: A Novel which is obtaining the e-book version. So , why not try out this book? Let's notice.

Douglas Elem:

What is your hobby? Have you heard that question when you got scholars? We believe that that issue was given by teacher for their students. Many kinds of hobby, All people has different hobby. Therefore you know that little person such as reading or as reading through become their hobby. You have to know that reading is very important in addition to book as to be the thing. Book is important thing to include you knowledge, except your personal teacher or lecturer. You will find good news or update about something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is Notting Hell: A Novel.
