An Introduction to Foreign Language Learning and Teaching (Learning about Language) Keith Johnson

An Introduction to Foreign Language Learning and Teaching presents an engaging, student-friendly guide to the fields of foreign language learning and teaching. For students beginning their study of these fields, the book provides essential background information, dealing with language learning and teaching in a clear and comprehensible way. *An Introduction* will also be of value to teachers in training and those already working in the field, providing an up-to-date overview which focuses on contemporary issues while at the same time providing an important historical perspective.

The book covers both theoretical and practical aspects of the field and provides suggestions throughout for discussion and workshop activities. Matters related to classroom and task-based teaching are dealt with at length, making the book suitable for use on practical training courses, especially where a degree of theoretical background is also required. Although most of the examples used deal with English as a foreign language, the book offers a suitable introduction for teachers of any foreign language.

In this age of unfettered global communication the teaching and learning of foreign languages have never been more important. ***An Introduction to Foreign Language Teaching and Learning will give you the head start you need to get ahead of the field.***

From reader reviews:

Christopher Patton:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each publication has different aim or even goal; it means that book has different type. Some people feel enjoy to spend their a chance to read a book. They are really reading whatever they acquire because their hobby is usually reading a book. Think about the person who don't like looking at a book? Sometime, person feel need book after they found difficult problem or maybe exercise. Well, probably you will need this An Introduction to Foreign Language Learning and Teaching (Learning about Language).

Edward Brown:

The reason? Because this An Introduction to Foreign Language Learning and Teaching (Learning about Language) is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will surprise you with the secret the item inside. Reading this book adjacent to it was fantastic author who else write the book in such wonderful way makes the content interior easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of benefits than the other book get such as help improving your skill and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the reserve store hurriedly.

Jose Brown:

Your reading 6th sense will not betray an individual, why because this An Introduction to Foreign Language Learning and Teaching (Learning about Language) guide written by well-known writer who really knows well how to make book that may be understand by anyone who read the book. Written inside good manner for you, dripping every ideas and producing skill only for eliminate your personal hunger then you still skepticism An Introduction to Foreign Language Learning and Teaching (Learning about Language) as good book not only by the cover but also from the content. This is one book that can break don't determine book by its include, so do you still needing one more sixth sense to pick that!? Oh come on your examining sixth sense already said so why you have to listening to a different sixth sense.

Rachel Cady:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book had been rare? Why so many query for the book? But any kind of people feel that they enjoy intended for reading. Some people likes reading through, not only science book but also novel and An Introduction to Foreign Language Learning and Teaching (Learning about Language) or even others sources were given expertise for you. After you know how the fantastic a book, you feel would like to read more and more. Science publication was created for teacher or students especially. Those guides are helping them to increase their knowledge. In

other case, beside science publication, any other book likes An Introduction to Foreign Language Learning and Teaching (Learning about Language) to make your spare time much more colorful. Many types of book like this one.
