## Humanitarian Action Facing the New Challenges (Bochumer Schriften zur Friedenssicherung und zum Humanitären Völkerrecht Book 61)

Delivering humanitarian aid has become a complex issue in contemporary politics and practice. The expansion of the humanitarian field caused by an increasing number of humanitarian actors and international donors - such as the EU, the United States, and the United Nations - leads to new questions concerning complex coordination, legitimacy, and accountability. These changes in the humanitarian arena, the so-called "New Wars", and advances in international law confront humanitarian actors with additional challenges. In turn, such changes require a professionalization of aid in terms of policy and education. This book provides an overview of contemporary challenges and advances in humanitarian action, as well as an inside view to policy-making and higher education in this field.

"Humanitäre Hilfe ist in der gegenwärtigen Politik und Praxis zu einem komplexen Thema geworden. Die Ausweitung des humanitären Bereichs durch eine steigende Anzahl von Akteuren und internationalen Spendern - beispielsweise die EU, die Vereinigten Staaten und die Vereinten Nationen - wirft neue Fragen bezüglich komplexer Koordination, Legitimität und Verantwortlichkeit auf. Diese Veränderungen im humanitären Bereich, die sog. "New Wars", und Fortschritte des internationalen Rechts konfrontieren humanitäre Akteure zusätzlich mit Herausforderungen. Umgekehrt erfordert dieser Wandel eine Professionalisierung der Hilfe bezüglich politischer Verfahren und Ausbildung. Dieses Buch liefert sowohl einen Überblick über die derzeitigen Herausforderungen und Entwicklungen humanitären Handelns als auch einen Einblick in politische Entscheidungen und weiterführende Ausbildungen in diesem Bereich."
