"Why?" seems to be on the lips of many church, judicatory, and denominational leaders today. "Why has our church plateaued?" "Why are so few young leaders going into church-based ministries?" "Why are so few interested in church these days?" Recovering Hope uncovers the "whys," creating space to embrace new realities, commit to the tough road of recovery, and develop new skills, structures, and ministry designs through a process of spiritual discernment, congregational coaching, and a deeper reliance on the work and ministry of the Holy Spirit. Eddie Hammett, a Professional Certified Coach and Church and Clergy Coach for the Cooperative Baptist Fellowship of North Carolina, provides a step-by-step process of hope and health to encourage, guide, and inspire pastors, leaders, churches, regions, and denominations that recovery of hope is possible. A TCP Leadership Series title.
