The Demon Lover: The Roots of Terrorism Robin Morgan

A riveting exploration of terrorism's relationship to sex, with a new preface by the author

Terrorism is the international crime that has captured the attention of the entire world, forcing governments to make radical changes in security and civil liberties. Meanwhile, everyone tries to comprehend the real reasons that inspire such violence.

This is where political philosopher Robin Morgan begins *The Demon Lover*, a groundbreaking work of investigative journalism and a bestseller in the print edition. Through her globe-spanning examination of terrorism, Morgan unearths the roots of the phenomenon. With wide-ranging research across historical eras and a three-hundred-sixty-degree approach, she examines how violence has become eroticized—and conflated with masculinity—to the lethal detriment of both women and men.

Recent scientific studies referenced in the preface to this edition prove just how ahead of her time Morgan has been with her analysis. Her account of her own personal experience with militant tactics adopted by US radicals in the 1960s and 1970s is extraordinary, and her reports on and interviews with Palestinian women in the refugee camps of the Middle East—women confiding for the first time, as women, details of their lives under terrorism every day—are deeply moving. Morgan also offers a compelling vision of hope for change, and an afterword includes her famous “Letters from Ground Zero,” written after 9/11.

The Demon Lover is Robin Morgan at her most intelligent and unforgettable.

Leroy Mallett:

Reading a book to become new life style in this calendar year; every people loves to read a book. When you learn a book you can get a wide range of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your research, you can read education books, but if you want to entertain yourself you are able to a fiction books, these us novel, comics, and soon. The The Demon Lover: The Roots of Terrorism provide you with a new experience in examining a book.

Vicki Harris:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Demon Lover: The Roots of Terrorism can make you sense more interested to read.
