It's 2014 and the world is in absolute tatters, coming apart at the seams. In an effort to stave off the planet's total annihilation, George Delta must embark on a suicide mission to get his hands on an enchanted, jealously protected object known as the Timestone. After that, the failed Olympic gymnast must do a double backflip into the past, performing a perfect landing in Mystic Falls, circa 2009 – back before everything went horribly wrong. His first mission is fitting into town, getting a job teaching at Mystic Falls High. And then he has to befriend all the town's irregulars, including Elena Gilbert, along with the town's oldest vampire and witch. Only then can George hope to execute a daring, spectacular plan that might possibly change the course of the future and spare the world a spectacular calamity.

Bestselling author, Justin Luke Zirilli's *Time and Time Again* is another heart- (and clock) stopping mystery inspired by the Vampire Diaries series.
