This is a reproduction, not a photocopy, of an original JET JML-1014 mini wood lathe owner's manual. This manual covers stock No. 708351. This manual contains information about how to set up and the nomenclature of the lathe. It also covers how to replace the belt, and how to remove and install a live center. We have other books on wood turning in our how-to section .

### PDF Download is Available

The manual has the option for either a PDF Download or a quality Printed copy with card stock covers and a comb binding. After purchase an email will be sent with link to download the PDF. The PDF will not be password protected, but it will have your contact information watermarked at the bottom of the file. We are beginning to add this service on our newer manuals only.

### Overview:

I have collected this information for many years and have found the information they contain to be priceless in using and setting up the machines properly. I believe this manual will be a valuable resource of knowledge that will provide a lot of helpful information that is often hard to find. My manuals are not photocopies. I maintain a high standard of quality in my reproductions. Most of the manuals I reproduce look better than their originals. I have professionally digitally edited every page, and removed stains, wrinkles and handwriting. All of the manuals are printed on thick white paper to withstand shop wear and tear.
