Pramathesh Chandra Barua or P.C. Barua as he was known, was an enigma through his life. Born into a royal family, this prince-turned-actor-director changed the theatrical manner of stylised acting into the conversational manner of real-life situations. His rise as an actor-director was matched with tragic failures in his personal life. Strangely, the last stage of his life resembled that of the hero he made famous - Devdas. Alcohol became his nemesis, he was consumed by tuberculosis, and died an untimely death. This book traces the life and towering achievements of one of the legends of Indian cinema.
