When a chance encounter has Prince Nicolo Barbieri bump into Aimee Black, he's met with a rather rude and angry woman. When they run into each other again at a dance club, they consider it a coincidence. When he finds out that her grandfather owns a company he's trying to take over, he starts to wonder: Is this all part of some bigger plan? When she shows up months later pregnant with his child, he has to ask himself if it's strategy or fate that keeps bringing them back together.
