**Understanding Occupational & Organizational Psychology** Lynne Millward

`This is a really useful and comprehensive textbook that will provide readers with all their needs as a primer in the field of occupational and organisational psychology' - *Cary L Cooper, Times Higher Educational Supplement*

`Provides excellent coverage of the main areas of Industrial, Work and Organisational Psychology. All main topics at the individual and group levels are covered... a highly competent, research based introductory text' - *Professor Neil Anderson, University of Amsterdam*

**Understanding Occupational and Organizational Psychology** is an invaluable resource for students doing a course in occupational and organizational psychology, either at third year undergraduate or Masters level. The text provides comprehensive coverage of the British Psychological Society's training requirements for becoming a chartered occupational psychologist, yet it is also compliant with European training guidelines for industrial, work and organizational psychology too.

This book will prompt and inspire further reading and research as well as ideas for dissertations, problem formulation and the creative application of knowledge to various situations. Ideal if you want to get ahead with your undergraduate study or get your foot on the ladder to becoming a fully-fledged scientist-practitioner.
