Using the Bowen Technique to Address Complex and Common Conditions Isobel Knight

The Bowen technique resets and repairs the body, restoring balance to relieve pain and improve energy. This book shows how it can be particularly effective at alleviating conditions that are renowned for being difficult to treat, as well as at enhancing performance in dance and other sports.

Covering lower back pain, frozen shoulder, tennis elbow, carpal tunnel, hayfever, asthma, diabetes (type 2), migraines, stress and tension disorders, fibromyalgia, chronic fatigue, palliative care, performance enhancement, and in pre and post-natal care, clinical case studies reveal Bowen technique in action along with detailed explanations of how and why Bowen is so effective for each of these different situations.

This is the perfect book for Bowen practitioners, and other complementary and alternative health practitioners and medical professionals wanting to know how and why the Bowen technique can help their patients, as well as patients interested in learning about what Bowen can do for them.
