\*\*\*\*\* STAR book review (paperback) : When Bad Things Happen To Good People (Kindle ebook) by Christian author, Merton Lee, is a book "capturing wisdom, faith and encouragement from a biblical perspective, enabling pastors and Christians to discover purpose and fulfillment through God's wisdom filled-truths. This book is intended to be a 'ground-breaking' handbook in becoming a mature and fruitful believer. Seen through the eyes of God, past experiences, Scripture and poetic writings, the author has filled the book with many original and re-written versions of famous writings and quotes from famous people and writers. The book also addresses many age-old questions such as why we exist, what is our purpose and why does God allow bad things to happen. This is an inspiring and uplifting read for those that love literature and the Lord.

Offering hope to readers through inspiring true stories and narratives presented and themed by the seasons of the year: spring, summer, autumn and winter, the author gives inspiring quotes from many famous people and writers such as Mother Teresa, Helen Keller and Emily Dickinson, that help readers better understand themselves and the light of Jesus Christ. Included is the well-known poem 'Footprints' that has been revised by the author.

This book would also make an excellent gift for those who are struggling, who don't know God or simply need encouragement." (Christian Book Review)

(Kirkus Book Indie Review) : "The book postulates that God is loving and lives through us; it makes its argument by using the stories of figures throughout history who embraced the idea that through God's love, humanity can make the world better. The book succeeds in that it highlights a universal theme of faith ... A well-written collection of thoughts and stories for believing Christians."

This is a new ground-breaking handbook and essential guide for Christians, pastors, religious believers and wisdom-seekers seeking answers to "Why do bad things happen to good people?", "Why does God allow undeserved suffering and untimely death?", "Why does the world exist?" It contains inspiring true stories and wisdom narratives which encourage us during adversities and the different seasons of life.
