Danger ignites a passion neither of them can refuse.

Ava Hill learned early in life that to survive, she has to be twice as smart, twice as ruthless as those who seek to undermine her. And as the widow of a mob boss with a daughter to raise, nothing is more important than protecting what's hers.

Her determination to shield her child from the ugliness of her past takes a hit when a man claiming to be her late husband's son barges through her front door.

Dominic Sambarino demands half of her daughter's inheritance. Ava wastes no time showing him she'll come out swinging with everything she has. But no amount of fight in the world can prepare her for the instant, smoldering chemistry between the two of them.

A friend's invitation for a weekend getaway is a welcome chance to regroup, or so Ava thinks. But she soon finds herself caught in a circle of her dead husband's secrets and lies that threaten to cost her everything. And her only safe haven is the one place she vowed she'd never go—Dominic's arms.

Warning: Strong language, graphic sex scenes between a woman whose well-ordered life is turned upside down by the only man with arms strong enough to catch her when she falls.
