Some family curses really should be passed on...

Tommy Roling does everything humanly possible to raise his infant daughter Corinne the right way. But a half year out of high school, Tommy finds himself a single parent as well as flat broke.

And, with every full moon, he can't fight the urge to strip off his clothes and run wild through the pastures outside town.

So when a stranger shows up, slashed to death, the day after Tommy's most recent full-moon run, Tommy must resolve this murder or he could lose what little he has left. That includes his innocent baby girl Corinne, who just might have inherited his werewolf gene from him.

A paranormal mystery about fatherhood, responsibility, and taking control of your own life, one full moon at a time. The first book in a new "Rural Fantasy" mystery series!

"Jasper has a real gift for evoking a mood" — *Kirkus Reviews*
