His Billion-Dollar Dilemma (Guide to Love) Alexia Adams

Never judge a geek by her cover...

Simon Lamont is an ice-cold corporate pirate. He buys companies, strips them of their assets, and moves on. With money. Lots and lots of money. But when he arrives in San Francisco to acquire a floundering company and is accosted by a cute engineer with fire in her eyes, it takes all Simon has to maintain his legendary cool.

Helen Winston has mastered hiding behind geeky clothes and an obsessive dedication to her job. So what's with her desire for the arrogant-and sexy as sin-Simon Lamont? He may have only been wearing a towel when they met, but he's planning to destroy her company, and Helen will do whatever it takes to change his mind. If that means becoming the sexy woman Simon didn't know he wanted, so be it. If only she wasn't about to walk into her own trap...
