**Kierkegaard on Faith and the Self: Collected Essays (Provost's Series)** C. Stephen Evans

*Kierkegaard on Faith and the Self* represents a rich collection of studies that allow Søren Kierkegaard to speak directly to the questions of contemporary readers. Evans analyzes Kierkegaard as a philosopher, his perspectives on faith, reason, and epistemology, his ethics, and Kierkegaard's view of the self. Evans makes a strong case that Kierkegaard has something crucial to say to the Christian church as a philosopher and something equally crucial to say to the philosophical world as a Christian believer.
