Life of Zarf: The Trouble with Weasels: The Trouble with Weasels Rob Harrell
Shrek meets Dork Diaries in this epically funny tale of a troll trying to figure out how to be more popular

It's not easy being Zarf. As a troll, he's stuck at the bottom of the middle school hierarchy, way below the prince and knights (populars), ogres and giants (jocks), and even the lowly minstrels (band geeks). Plus, trolls aren't exactly known for their brain power or cool demeanor. But it gets worse. When the king disappears and Zarf's archenemy, the prince, ascends the throne, he makes Zarf's life even *more* miserable. And so it is that Zarf and his two sidekicks (a neurotic, mutton-obsessed pig and the not-funny son of the court jester) set out to find the missing king as well as their way to middle school heroism. (Okay, the heroism part might be wishful thinking.)

The first book in this brilliant new illustrated series from comics creator Rob Harrell is perfect for fans of fractured fairytales and the Land of Stories series.

From the Hardcover edition.
