The Missional Mom: Living with Purpose at Home & in the World Helen Lee

Do you see motherhood as a mission and divine calling?

Today's Christian moms come from a full range of personal and professional contexts, whether they are homemakers, full-time workers in the marketplace, or somewhere in between.

Yet many Christian mothers are living missional lives, using their gifts and abilities to further God's kingdom by engaging the world around them. They artfully, passionately, and sometimes messily juggle multiple callings and demonstrate in their modern-day contexts how they are emulating the woman of noble character in Proverbs 31.

The Missional Mom will affirm Christian mothers who desire to not only to build their homes in a Christ-like way, but also engage the world with their skills, abilities, and interests. It won't minimize the importance of a woman's role in her home, but it will encourage her to not ignore the stirrings God has planted within her to extend her influence.
