## **A Moral Creed For All Christians** Daniel C. Maguire

Maguire urges that Christianity's real relevance for the renewal of American public life lies not in the myopic morality of the Christian Right nor in any particular program of the Left but in the enduring relevance of Jesus and biblical Christianity. He explains Christianity's indispensable moral conviction about God's care, rapport with the earth, the nature of ownership, the bond between justice and peace, the nature of enmity, the illogic of militarism, and the creative potential of the human species. Includes questions for group discussion.
