AnimalHeart - Book 1 Rodolphus

A savage, violent, blood-drenched world produces the most terrifying villains. The universe answers with heroes and antiheroes in the cosmic conflict between evil and good. Flashing swords, rushing war speeders, poison, peril, giants, vampires, fighters and evangelists, Blackguard and fallen angels, Wolf and Bear, resounding with the clash of steel upon steel, the screams of the dying, and the faint blast of distant horns: it is a very dark world, but in steel halls of gloom, beauty yet survives. AnimalHeart, not for the faint of heart. A Rodolphus masterpiece.
