## El misterio de los hermanos siameses (Spanish Edition) Ellery Queen

Ellery Queen y su padre regresan en coche de Canadá por la cavernosa geografía de Arrow Mountain cuando se topan de frente con un incendio forestal de proporciones. Dan vuelta atrás y hallan refugio en una mansión igualmente cavernosa en un claro.

El anfitrión es el misterioso doctor John Xavier, un afable cirujano que experimenta con animales... y con un par de gemelos siameses que están allí esperando una operación. Detrás de su amable sonrisa se esconden oscuros secretos, que parece compartir con los demás miembros de la familia, todos ellos amables pero excesivamente cautelosos ante la presencia de los Queen.

Al cruzar un ventoso corredor, Queen padre ve un par de ojos fulgurantes en la oscuridad. Los ojos de un monstruo. Huyendo del fuego, ¿habrán quedado atrapados en una especie de montaña del doctor Moreau? Cuando John Xavier aparece asesinado con la mitad de una sota de diamantes en la mano, que parece señalar a uno de los gemelos, los Queen comprenden que hay más cosas que temer, además del fuego que avanza y de los monstruos enjaulados.

### From reader reviews:

#### **Alfred Zoeller:**

The book El misterio de los hermanos siameses (Spanish Edition) can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book El misterio de los hermanos siameses (Spanish Edition)? Wide variety you have a different opinion about guide. But one aim in which book can give many facts for us. It is absolutely suitable. Right now, try to closer with the book. Knowledge or data that you take for that, you can give for each other; you can share all of these. Book El misterio de los hermanos siameses (Spanish Edition) has simple shape but the truth is know: it has great and massive function for you. You can appearance the enormous world by wide open and read a e-book. So it is very wonderful.

#### **Jesse Fox:**

Often the book El misterio de los hermanos siameses (Spanish Edition) has a lot of knowledge on it. So when you read this book you can get a lot of gain. The book was written by the very famous author. The writer makes some research prior to write this book. This particular book very easy to read you can find the point easily after perusing this book.

#### **Darren Reid:**

Is it a person who having spare time then spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This El misterio de los hermanos siameses (Spanish Edition) can be the solution, oh how comes? A book you know. You are consequently out of date, spending your time by reading in this brand new era is common not a geek activity. So what these guides have than the others?

#### **Gail Blakely:**

As a college student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this El misterio de los hermanos siameses (Spanish Edition) can make you really feel more interested to read.
