Finding the Next Steve Jobs: How to Find, Keep, and Nurture Talent Nolan Bushnell, Gene Stone
From the legendary founder of Atari and Chuck E. Cheese's and Steve Jobs's first boss, the secrets to finding, hiring, keeping, and nurturing creative talent.

The business world is changing faster than ever, and every day your company faces new complications and difficulties. The only way to resolve these issues is to have a staff of wildly creative people who live as much in the future as the present, who thrive on being different, and whose ideas will guarantee that your company will prosper when other companies fail.

A celebrated visionary and iconoclast, Nolan Bushnell founded the groundbreaking gaming company Atari before he went on to found Chuck E. Cheese's and two dozen other companies. He also happened to launch the career of the late Steve Jobs, along with those of many other brilliant creatives over the course of his five decades in business.

With refreshing candor, keen psychological insight, and robust humor, Bushnell explains in *Finding the Next Steve Jobs* how to think boldly and differently about companies and organizations—and specifically the people who work within them. For anyone trying to turn a company into the next Atari or Apple, build a more creative workforce, or fashion a career in a changing world, this book will enlighten, challenge, surprise, and amuse.
