**Freedom to Harm: The Lasting Legacy of the Laissez Faire Revival** Thomas O. McGarity

How much economic freedom is a good thing?

This book tells the story of how the business community, and the trade associations and think tanks that it created, launched three powerful assaults during the last quarter of the twentieth century on the federal regulatory system and the state civil justice system to accomplish a revival of the laissez faire political economy that dominated Gilded Age America. Although the consequences of these assaults became painfully apparent in a confluence of crises during the early twenty-first century, the patch-and-repair fixes that Congress and the Obama administration put into place did little to change the underlying laissez faire ideology and practice that continues to dominate the American political economy. In anticipation of the next confluence of crises, Thomas McGarity offers suggestions for more comprehensive governmental protections for consumers, workers, and the environment.

#### **John Bledsoe:**

As a college student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Freedom to Harm: The Lasting Legacy of the Laissez Faire Revival can make you really feel more interested to read.

#### **Teresa Dawkins:**
